

***Are you Crafty or Creative? Have a Green Thumb? Have Great Organizational Skills? Love to Work with the Kids at School? Love to Plan Events/Parties? Do you want to help your child have a great experience at Switlik?***

**If you can answer yes to just one of these questions we have a great way for you to help!!**

There are many ways to volunteer and help our students through our PTN. You don't have to be able to do each of the bullets for an event, but if you can help with just one of the tasks and someone else can help with another, together we can make it a fabulous year for all our children!

**Book Fair** (November / March)

- 🐾 Help Children Find the Books on their List and Keep the Book Shelves Neat and Organized
