

Family Literacy Night

Focus on Grade K-2

October 20th 6:00-7:00 pm

Switlik Elementary School

Parents and students are cordially invited to attend our Family Literacy Night to benefit your child's learning. Designed to engage and empower families to support their children's academic achievement, these evenings feature interactive activities with practices and strategies that maximize reading and writing success.

Families who attend this informative workshop will receive free books, and learn strategies to help reinforce what children are learning in school.
