

MEET THE TEACHER

Mrs. Duffy

Hello! My name is Mrs. Duffy. I am the proud mother of two sons and one daughter, and we love the Steelers in our house! I believe in our classroom we are a family. It's a place where every child should feel safe and valued for the unique person they are. I am excited to get to know everyone!

TEACHING

I have been teaching at Switlik School since 2005. I started off my career as a 1st Grade teacher followed by teaching 3rd Grade for six years. I then taught Math and Literacy Intervention for grades K-5 for eight years. I have been teaching 2nd Grade since 2020 and I can't wait to share my love of education with my students!
