

Tree Study

Starting mid October, we will be learning about Trees! We will be observing and comparing trees to learn about what lives in them, what they're made from and who cares for them. We will use literacy, math, the arts, and technology to explore the topic in depth.

If you can, please take a bag to a tree area and collect some things that have fallen such as leaves, bark, acorns, twigs and anything else you can find. Send your items in the week of 10/20!
