

“CHECK IT OUT!”

Jackson School District Summer Reading Program For students entering 1st through 5th grades

The Jackson School District wants all students to be excited about reading this summer! **We are asking each student to read 5 books of his or her own choosing over the summer and to review the book on a reading log.** Print out a [paper reading log](#) or tell about the book you read on [this Google Form](#).

If you participate and show us your reading log (online or on paper), in September you will be entered into a raffle for a special prize!

Remember that each student can pick whatever books he or she would like to read. Fiction, non-fiction, biographies, poetry, graphic novels, magazines-read whatever you like as long as it is appropriate for your interests and reading ability. To help get you started, here are some recommendations you might enjoy.
