

## ACADEMIC ACCELERATION Early Exit Application

### EARLY EXIT

#### DEFINITION:

Early Exit is a policy option of the Jackson School District which permits selected students to complete all requirements for graduation in less than the regular twelve-year sequence. Students may complete their required courses in the first semester of their senior year and, therefore, pursue other ventures such as college courses and/or job opportunities.

After successful completion of the first semester coursework, student participants will be removed from the rolls; however, they are subject to the student code of conduct policy while in attendance at school sponsored activities. Students may attend both the Senior Prom and graduation ceremony unless the privilege is revoked due to conduct violation(s). No Early Exit student may participate on a winter or spring season team or club.

### SELECTION CRITERIA:

1. Students will complete a minimum of 130 credits and meet the graduation requirements established by the Jackson Board of Education.
2. Students will make a formal application by the end of their junior year.
3. Students must not require any special scheduling arrangements outside of the published master schedule. No special tutoring or waiving of subjects/courses will be permitted.
4. Students must provide proof of employment or academic (college/technical school) enrollment prior to the early exit semester.
