

Welcome Fourth Grade Friends!

I am excited to start this school year with a BOOM,
in **Our Home Sweet Classroom!**

I hope your summer was great,
and that you also cannot wait.
Fourth grade will be so much fun,
while we work so hard to get the job done.
The school year is about to take form,
and together we will weather any storm.

I will always need your assistance,
as we remember to go the distance.
Social Emotional Learning is part of our day,
as we complement each other along the way.
Reader's Workshop will be at the top,
and Math will never allow us to stop.
I do not expect a day of gloom,
especially when working in our classroom.

So, I will really need your attention,
to make this connection.
I hope you find it so cool,
when you arrive at Crawford-Rodriguez School.
Since this is all new,
patience and respect will get us through.
It is such a treat,
that really soon we will meet!

Your teacher,
Ms. Gonzalez
