

Holman Summer Reading
2020!

Summer Reading Challenge: Read at least 5 books!

Keep reading this summer so your reading muscles stay strong!

Just like you have to practice basketball or baseball or soccer or gymnastics or dancing to keep your skills **strong**, we need to keep our reading muscles strong over the summer so we are ready to be back at school in September!

So, READ, READ, READ!

Read at least 5 books to have a chance to win a prize!

Any student who proves they read at least 5 books over the summer will be entered into a raffle to win a prize. But Kids-- you have to prove you read those books! How do you prove it? Track your books on a reading log-- and here are 3 choices of how to do that!

1. Print out a reading log at home and bring it back to school in September.
2. Enter your books on the Summer Reading Google Form.
3. Write your books on any piece of paper you have at home, put your name on it, and bring it to school in September.

See the next slides for more details!
