

Monday, June 8, 2020

Dear Room 104 Super Heroes,

We want to let you know how proud we are of all of you for working so hard! You have been doing a fantastic job completing your work, and we both miss you very much! We can't wait to see your smiling faces again soon!

If you scroll down, you will find this week's lesson plans June 8th-12th. **The date is labeled and highlighted in green on the top of each day's assignments.** **As we talked about in our Google Meet Thursday, you must "check in" every day starting Monday in order to be considered "present". Please comment "here" in the Google Classroom everyday!**

The district is now requiring students to turn in all work online so that Mr. Winters and I can provide you with more feedback. You will go into our Google Classroom every morning to see the assignments. For reading, writing, and science you will complete everything in a Google Doc and then submit it to Mr. Winters and myself everyday so that we can provide you with daily feedback. We will make comments on your work daily, and they will be sent back to you to see/correct. We will have 2 Google Meets this week to catch up and see your smiling faces, and I will send you the emails with dates and times. We are here to help you out in any way you need, please contact us if you have any questions at all! You can either email us or post comments in our Google Classroom. We organized each day, so make sure you are keeping track of your assignments. Stay safe and healthy with your families!

Remember, our emails are:

awinters@jacksonsd.org

mjsuch@jacksonsd.org

Please complete the following lessons for **Monday, June 8th.** Attendance will be graded based on work completion.

Subject	Lesson	Optional Resources/Extra Activities	Login Information (If Needed)
