Dear Parent/Guardian & Student:

We will be using the Genesis Parent Portal for completing initial student requests. The Genesis online course selection window will be open February 6, 2023 - February 22, 2023. You are requested to log into the Parent Portal during the course registration period and input the student's course requests. Students will meet with their counselor for an individual scheduling meeting during the weeks of February 23, 2023 – April 5, 2023. The counselor and the student will review course selections and make any necessary adjustments to the course requests. A "Course Verification" form will be given to the student at his/her individual scheduling meeting. Please take the time to review this document and contact your child's guidance counselor if you should have any questions. The Program of Studies is available on the Guidance Department webpage <https://www.jacksonsd.org/Page/6552>.

INSTRUCTIONS FOR COMPLETING STUDENT COURSE REQUESTS
