thank you

to all of our committee chairs and volunteers who supported our events - we couldn't have done any of these awesome things for our school without you!

In order to continue to pay for ALL that it does, the PTN is in need of volunteers/chairs for all events for next year. If you can't commit to a board position, chairing an event is a great way to be involved! Did you LOVE something we did this year? Have something new and fresh that you'd like to see next year? We REALLY want to hear from you!

If you have any questions or would like to speak to a board member about what we do, please email PTN.switlik@gmail.com, or contact any of us directly. Looking forward to working with you next year!

STAY CONNECTED

The PTN had a very successful year and was able to give back to the school and its students in many visible and valuable ways. We have our volunteers (families & teachers) to thank for that. We would not be able to do all the things we do without each of your contributions. Thank you to everyone who supported the PTN in any way this year.
