

Center-Based ABA

Ages 1-3

Our Center-based ABA programming provides your child an opportunity to learn critical skills in a structured setting that they can then generalize into the home and school settings. Our program also works to prepare your child for the school setting by increasing direction following, group and social skills.

Insurances Accepted: NJ Family Care: Horizon NJ Health, UnitedHealthcare Community Plan, Aetna Better Health of NJ, Wellcare
Commerical: Horizon BCBS, United Healthcare
