If you are completing a typical registration using proofs of address in your own name, you do not need to complete these next two “Third Party Residency” forms.

The next two forms for “Third Party Residency” apply only to those people who need to certify that they are living in the home of a landlord or family member acting as a “landlord”.

For example:

- If you and your child are living with your parents and will be using their lease/mortgage as proof of address.
- If you and your child are living with a friend and will be using his or her lease/mortgage as proof of address in Jackson.

Please remember that you will still need to provide THREE proofs of residency in this home in order to complete the registration. For example, a change of address confirmation from the post office, bank, utility company, motor vehicle, credit cards, insurance documents.

WHAT DO THE FORMS MEAN?

- On Part A, YOU are certifying that you are living with the child you are registering at that Jackson address.
- On Part B, the LANDLORD or HOMEOWNER is certifying that you and the child you are registering are living at that Jackson address.

Please remember that these documents must be notarized. If you have made arrangements to use the district registrar to notarize them, you and the landlord/homeowner must be present in order to have them both notarized.

Some Helpful Tips When Talking to Your Child About Kindergarten

DON'T...		DO...
<p>1. Don't build up the first day in your child's mind as if it were a tremendous event. Be eager for your child, but don't continually bring it into your conversation. Let your child bring it up. Treat going to kindergarten as a normal occurrence.</p> <p>2. Don't allow older siblings or neighbor children to tease or alarm your five-year-old about school. Older children like to turn teachers and principals into ogres.</p> <p>3. Don't be overly anxious. Your anxiety is contagious and will reflect in your child.</p> <p>4. On the first day of school, don't stay in your child's classroom or hallway. If you've walked your child to school, say "good-bye" at the classroom door. Don't linger. If your child takes a bus, say "good-bye" at the bus stop.</p> <p>5. Don't let your child feel there is a choice about going to school. Don't engage in discussions about it. Be natural, but firm in tone. Be supportive and reassuring.</p>		<p>1. Explain to your child what you will be doing during school hours. Emphasize your customary activity, including work outside the home.</p> <p>2. Explain beforehand what your child should expect to happen at school.</p> <p>3. Explain what to do about going to the bathroom at school.</p> <p>4. Answer all your child's questions about school honestly.</p> <p>5. Explain how long the kindergarten day is.</p> <p>6. Explain carefully how your child will get to and from school.</p> <p>7. Tell your child where you will be when kindergarten is over.</p> <p>8. Too much discussion can create anxiety. Let your child initiate conversation about kindergarten.</p>
