

Nonpublic School Family Survey (Title I Only)

The *Elementary and Secondary Education Act (ESEA)* provides a variety of programs, materials, and services to children and teachers in nonpublic schools. For our school to receive an equitable share of ESEA Title I funds we must count the number of children, ages 5 through 17, who are from low-income families and reside in participating Title I public school attendance areas.

Use the [Federal Income Eligibility Guidelines](#) to answer questions 1 through 5 below. This information is essential to ensure our continued participation in the Federal Title I program. All information will be kept confidential.
