LITERACY AND WRITING

READING

Reader's Workshop:

- independent reading
- conferencing with the teacher
- reading deeper, being aware of their thinking,
- writing about their ideas.
- Book clubs (fiction) and Westward Expansion (non-fiction).

WRITING

Writer's Workshop:

- Narrative writing
- informational writing
- opinion/argument writing.
- Learning how to become a better writer by observing what professional writers have done

VOCAB/GRAMMAR

Vocab: Students will learn about words including spelling, definitions, and parts of speech

Grammar: Students will study authentic texts and come to recognize the essential grammar conventions that readers and writers require to make meaning

MATH, SCIENCE, SOCIAL STUDIES

Topics Include:

- Decimal place value
- Add, subtract, multiply, divide with decimals
- Add, subtract, multiply with fractions
- Geometric relationships
- Algebraic patterns
- Order of Operations
- Higher level problem solving

Homework most nights to reinforce skills

- Topics begin with a pretest
- Tests will be paper AND online
- Test corrections will be encouraged for each test

MATH

Science:

SCI & SS

HOMework

- Nightly math homework, most often online
- Reading & Writing homework will be based on the need to practice skills from class. Homework is assigned WEEKLY.
- 20 minutes of reading nightly is encouraged; a monthly book log and book review will take place using the books read at home. (October start)
- Science & Social Studies homework will be based on completion of tasks in class
- Homework should be completed by the next school day.

PLEASE KEEP IN MIND...

Birthdays: Birthday Treats ARE allowed.
Please keep the treats NUT FREE.

Emails: We will do our best! Please CC
the office about dismissal/schedule
changes

PLEASE KEEP IN MIND...

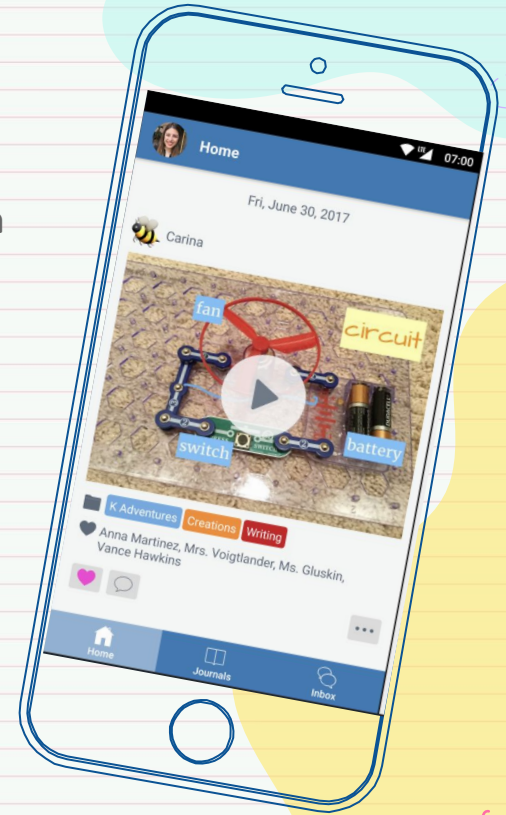

Planners: no need to sign at this time. We are building independence & responsibility, but adjustments can be made as needed.

PTN: Please join the PTN! A special thank you for their continued generosity!

SEESAW

- This year we are using Seesaw to share and communicate with families!
- Your child will post to Seesaw to share their learning.
- I'll also use Seesaw to send you messages and reminders.
- Seesaw is private; you'll only see posts created by your child.
- Instructions will be sent home this week

Download the Seesaw
Family App to get
notifications and reminders!

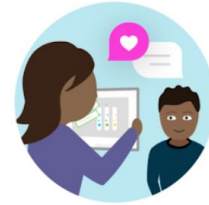

How does Seesaw work?

Teachers find or create activities to share with students.

Students take pics, draw, record videos and more to capture learning in a portfolio.

Families see their child's work and leave comments and encouragement.

More information to follow!

PLEASE KEEP IN MIND...

Communication is Key!

*Please reach out to us if you have any
questions or concerns!*

Thank you for Coming!
