Welcome to Jackson’s Early Learning Pre-school Inclusion Program. We are happy to announce the district has established an early childhood Pre-school Inclusion program that will prepare students for life-long learning.

The Early Learning Pre-school Inclusion Program curriculum follows the Creative Curriculum model, and is consistent with New Jersey’s “Early Learning Standards: Creating the Conditions for Success.” Special needs, and typically developing 3 year and 4 year old Pre-schoolers, will come together in an inclusive classroom where language, academic, and social-emotional skills will be developed in a nurturing environment. Our program encourages student leadership opportunities, supported by differentiated instruction. All children are encouraged to participate in group activities, as well as make independent choices for their learning.

The Early Learning Pre-school Inclusion Program is staffed with New Jersey State certified teachers who are assisted by teacher aides. Together these professionals provide a safe and effective learning environment, which embraces the best practices in early childhood education.

Sylvia Rosenauer Elementary school will facilitate a *6-hour early learning inclusive classroom, and an AM/PM 2.5 hour early learning inclusive classroom.

Crawford-Rodriguez Elementary school will facilitate a *6-hour early learning inclusive classroom, and an AM/PM 2.5 hour early learning inclusive classroom.

Elms Elementary school will facilitate a *6-hour early learning inclusive classroom, and an AM/PM 2.5 hour early learning inclusive classroom.

Howard C. Johnson Elementary school will facilitate a *6-hour early learning inclusive classroom.

*The 6 hour early learning inclusive classrooms will provide children with the opportunity for lunch and a rest period.

The Early Learning Pre-school Inclusion Program is a place where children’s minds are challenged, their hearts are nurtured, and their childhood is cherished! We invite your family to become a part of our family.

Sincerely,
Tracy Decker M.Inc.Ed

Jackson School District Media and Television Publicity Permission Form and
New Jersey Parental/Guardian Consent Form for Internet Publication of Student Information/Images

February 15, 2019

We are sending you this parental consent form to inform you and to request permission for your student’s photo/image and personally identifiable information to be published on the district and/or school web sites. It also seeks permission to publish this information for publicity, promotional or informational purposes in newsletters, presentations, flyers, press releases, videos and to broadcast/publish this information on the Jackson School District television station (JTV on Cablevision’s Channel 77) and any social media websites or services run by the district. We are also requesting permission to release this information to outside media such as newspapers, news magazines, broadcast news and media outlets and online news outlets/magazines. Please be advised that the majority of newspapers today archive/publish their print editions on their own websites.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian, which is granted through this form. Personally identifiable information as described by the state includes student names, photo or image, residential addresses, e-mail address, phone numbers and locations and times of class trips.

Please be aware that the Jackson School District’s practices in publishing/releasing student information are actually more restrictive than the state law. The Jackson School District only publishes and/or releases to the media your child’s name, image and school/grade/age. Student work (e.g. art, writing, concert/drama performances, athletic events) and interviews may also be published/broadcast/released in the methods described above. The other state-designated personally identifiable information described above are not released.

If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time in writing by sending a letter to the principal of your child’s school and such rescission will take effect upon receipt by the school. Questions?

If you are completing a typical registration using proofs of address in your own name, you do not need to complete these next two “Third Party Residency” forms.

The next two forms for “Third Party Residency” apply only to those people who need to certify that they are living in the home of a landlord or family member acting as a “landlord”.

For example:

- If you and your child are living with your parents and will be using their lease/mortgage as proof of address.
- If you and your child are living with a friend and will be using his or her lease/mortgage as proof of address in Jackson.

Please remember that you will still need to provide THREE proofs of residency in this home in order to complete the registration. For example, a change of address confirmation from the post office, bank, utility company, motor vehicle, credit cards, insurance documents.

**WHAT DO THE FORMS MEAN?**

- On Part A, YOU are certifying that you are living with the child you are registering at that Jackson address.
- On Part B, the LANDLORD or HOMEOWNER is certifying that you and the child you are registering are living at that Jackson address.

Please remember that these documents must be notarized. If you have made arrangements to use the district registrar to notarize them, you and the landlord/homeowner must be present in order to have them both notarized.
