

A stylized, colorful illustration of a landscape. The foreground features rolling green hills with dark brown soil patches. On the left, there is a green tree, a purple flower, and an orange flower. A small red bird is flying in the sky above the tree. The background consists of layered, wavy bands of light blue and white, suggesting a sky or water. The overall style is flat and modern.

# Preschool Inclusion Program

Jackson Township School District

Preschool Inclusion  
allows for  
leadership  
opportunities &  
differentiated  
instruction

# Together We Learn Better!

- \*Differentiated Instruction increases student engagement
- \*Respect for diversity creates a welcoming environment
- \*Opportunities to master skills by practicing and teaching others
- \*Fosters meaningful friendships

# READY! SET! LEARN!

## All About the Program

- Preschool Inclusion Classroom for 3 and 4 year old children.
- Student population embraces an inclusive model - educating special needs preschool children together with typically developing preschool children.
- The curriculum design is driven by New Jersey Department of Education's Preschool Teaching and Learning Standards (2014) and facilitated through Creative Curriculum.
- Curriculum focuses on four key developmental areas: Cognitive, Language, Social/Emotional and Physical.
- New Jersey State certified teachers, assisted by teacher's aides
