NATIONAL STEM DAY: November 8th is National STEM Day! The PTN purchased STEM kits for every student at Elms to celebrate. Mrs. Sendekki will be guiding the students with these activities during the month of November.

LEAD U ASSEMBLY: On November 3rd all students will experience an assembly from Lead U. This is the second school-wide assembly the PTN was able to provide through the success of last January's Penny Wars fundraiser!

Participation in fundraisers is optional and helps to provide exciting educational experiences for our children. Thank you for supporting our students at Elms!
