

Pre-Kindergarten

August 1, 2024

Welcome Pre-Kindergarten Bobcats!

I would like to welcome you to Lucy N. Holman Elementary School. I hope that you are enjoying the summer season. I wanted to give you and your parents some information regarding the Holman School so that you have an easier transition into full day Pre-Kindergarten. We are excited to see you on Thursday, August 29th at Pre-Kindergarten Orientation (9:00 am in the Holman All-Purpose Room)! This is an opportunity to meet your teacher. Parents and children will be able to visit their child's classroom, participate in a brief activity, learn about the Holman School community, and have an opportunity to meet the principal.

- Please make sure that all records are current and complete...including the entrance physical examination, pre-school dental examination, immunization records, and emergency and illness contacts. Please relay any changes to the main office throughout the year as soon as possible.
- Please read the [letter from Ms. Tracy Schaar, the Supervisor of the Early Childhood Department](#). It contains important information regarding the Preschool Programs.
- Please note that Jackson Township is a "green" school district. Very few items are printed, mailed, or sent home. Most information can be found on our website and the teacher's class page of your child. Parent Portal login instructions, a user name, and password were sent out to new registrants, including incoming pre-kindergarten students who do not have a sibling in the district. If you already have children attending a school in the district, you may log into your existing account to retrieve information on your incoming Pre-Kindergartener.
- You will be receiving a classroom assignment letter at the end of August. The letter contains your child's teacher assignment, regular school hours, and back to school night information (Wednesday, September 25th at 5:30pm for Pre-K). It also includes a color-coded tag with your child's teacher's name. We ask each student to wear his/her tag during the first few weeks of school.
- The first day of school will be on Thursday, September 5, 2024. We look forward to a wonderful new school year.

If you have any questions or concerns, we are always only a phone call away. Please do not hesitate to contact the main office at (732)-833-4620

Sincerely,

Mr. Richard Karas
Principal, Holman Elementary School
