

IXL Family Night

When: Monday/Tuesday,
April 11th and 12th
Time: 6:00-7:00 PM
Where: Holman
For: Parents

You are invited to attend the IXL family night on April 11 and 12, 2022! Log on and learn how to support your child at home using IXL. IXL is an individualized literacy and math program designed to provide targeted instruction where students need it. We will give a brief explanation of the program, demonstrate how it works, and ways you can use it at home to help your child succeed. We will show you how to access your child's progress and provide strategies that will improve their reading and math scores.

Topics to be covered:

- *Explanation of the program*
 - *How to access and use at home*
 - *How to access your child's scores in reading and math*
 - *Explain how it is used in the classroom and at home*
