July 8th (9:00-1:00) You are What You Eat!

10:00 am Jackson Shoprite nutritionist visit. Learn about MyPlate and the food groups, then get ready for a fun and engaging game! Stop by anytime to read some books, explore our centers, and enjoy a snack.

July 29th (2:00-6:00) Let's Get Crafty!

Jackson Library will be bringing their Cricut Maker to Switlik to do a craft project. Not feeling crafty? Play with Osmo and practice your drawing skills with the Monster or Masterpiece apps! Snack provided.

August 12th (9:00-1:00) Dogs, Dash, and Dot

Meet and read to Polly from the Bright and Beautiful Therapy Dog Foundation at 11:00. You can also create obstacle courses for our Dash Robots, Code our Dot and Mouse robots, or help Awbie code on Osmo. Snack provided.

August 26th (2:00-6:00) Green Screen Fun!

Jackson Library will be bringing their green screen materials to work with the children using the Doink app. You know what a "green screen" effect is, right? It's used in the movies to make it look like the actors have landed on an alien planet, and it's used on TV to make it look like your local news announcer is standing in front of a weather map. Come star in your own movie! Snack provided.
