

EnVision Math Login Instructions for Students:

Students will use their district Google account credentials to log into Pearson EnVision Math. You will **NOT use a username or password to access your Math resources and class assignments.**

Please find your login instructions below:

1. You MUST FIRST LOG INTO your district Google account (or Gmail)
 - a. Your email is **studentID@jacksonsd.org**
 - b. If this is your *first time* logging into Gmail, your password is **welcome#jsd.**
2. While still in your Gmail, go to the Apps button (waffle).
3. Click "More" at the bottom.
4. Click the **"Easy Bridge"** icon and you will be taken directly to Pearson. Just click **"Realize"** in the lower right and you're there!
