# **JACKSON SCHOOL DISTRICT SAFETY: WHAT MORE CAN WE DO?**

**On Nov. 6, the Jackson School District  
is asking voters to decide on a Special Question to  
**HIRE SIX ADDITIONAL SECURITY GUARDS.****

# Information on Nov. 6 Special Question

## **Why is this necessary?**

In order to provide **optimum security coverage for all of our ten schools**, these additional officers are needed.

Our security team is excellent, as is our collaborative relationship with the Jackson Police Department.

**But in today's world, it is not enough. We want to know we are doing all we can** - and that means we need additional staff to provide **another key layer** of security.

## Why are we being asked to vote on this?

School districts in New Jersey must operate within a 2 percent cap on the tax levy. The annual cost of these new positions is \$411,611 (including benefits). This kind of expense cannot be accomplished within that cap. The district is **asking Jackson voters to make a decision on these positions through a special question on the Nov. 6 ballot.**

## What will it cost?

For a home assessed at the township average of \$327,046, it would increase the school tax by about **\$10 per year**. If approved, this would increase the school tax rate by \$0.0031 - **that's less than one-third of one penny** on the tax rate.

## **The Jackson Board of Education welcomes your questions:**

- **Public Forum during Oct. 16 meeting** - 6:30 p.m. in the Fine Arts Center of Jackson Memorial High School.
- Email to **jsd@jacksonsd.org** or call the board office at 732-833-4618.
