CLASSROOM NEWS:

Week of 1/16-1/19

Reading: Continuing to work within our second reading unit: Reading Superpowers: Reading with Print Strategies and Sight Word Power. Students will learn more of the new reading strategies from this unit to add to the reading tools they have already learned. The skills that we will continue learning and practicing more throughout this unit include using rereading power, picture power & sound power, partner power & book talk power, pointer power, sight word power and persistence power. Students will learn how to use these skills together when their reading gets tough to successfully read texts. Each week we will dive deeper into these skills in order to practice them more & more through fun stories. In addition, we will also continue reading more exciting Winter stories!

Phonics: Continuing to practice echoing, tracing, and proper formation of sky-line & plane-line letters as well as reviewing letter sounds & how to write lowercase letters. Students will also continue to practice how to tap out letter sounds & blend them together to read, write & spell words!

SIGHT WORDS OF THE WEEK: REVIEW ALL WORDS FROM LIST! 😊

Math: Wrapping up Topic 7: Understanding Subtraction. Students will finish taking the Topic 7 Assessment this week. During our math time this week, students will also work on completing the Diagnostic portion of the online IXL program after being given more teacher support to navigate their chrome books & the IXL program!

Social Studies: Continuing our new unit: Unit 3 – Neighborhoods, Towns & Communities. In this unit, students will learn about different types of neighborhoods as well as how different neighborhoods can be made up of diverse families. Students will learn how groups of neighborhoods and people in different areas come together to create special communities!

REMINDERS:

- Please communicate dismissal changes to the office as well as myself ahead of time!
- Please charge students chrome books & have them practice logging on by themselves @ home!
- Please have students bring CHARGED chrome books to school on Wednesdays for technology class & wear sneakers on Thursdays for gym class!
- **Please send students with CHARGED chrome books TUESDAY (1/16).**
- **Our "We Read Together" event is taking place this Thursday, January 18th, 2024 @ 9:30 AM!**
- **Elms Daddy Daughter Dance is this Friday 1/19 from 6-8:30 PM!** 🌈

EVENTS:

Monday 1/15:
