Girl Sprouts

In Girl Sprouts, Pre-K girls who are at least 4 years old, and will be attending Kindergarten during the next school year, can begin their Girl Scout journey.

Girl Sprouts is a fun, educational program designed to introduce preschool age girls to the values that will help them thrive - the values of Girl Scouts.

Through these simple activities, girls learn about honesty, sharing, being helpful, how to be kind to their friends, and, most importantly, to have fun!

The mission of Girl Scouts is to build girls of courage, confidence and character who make the world a better place.

Every girl who attends her first Girl Sprout activity earns a

FREE

Girl Sprouts patch.
