Literacy

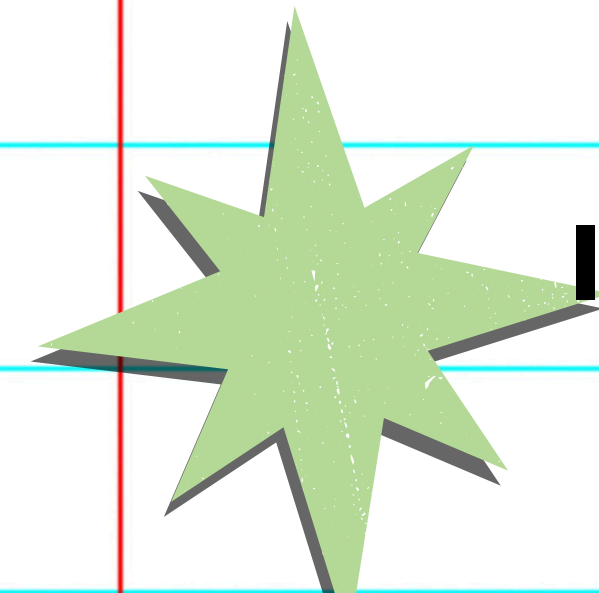

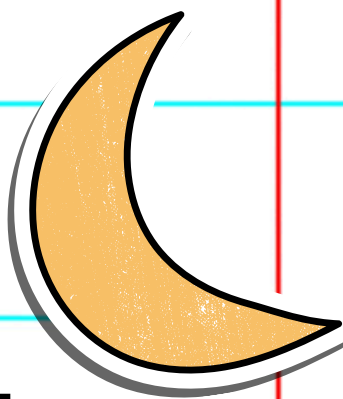

HMH Literacy/Writing:

This program includes spelling, grammar, vocabulary, writing skills, and reading practice. Skills will spiral throughout the school year.

Reading and spelling homework will be given weekly so the students can strengthen both of these skills.

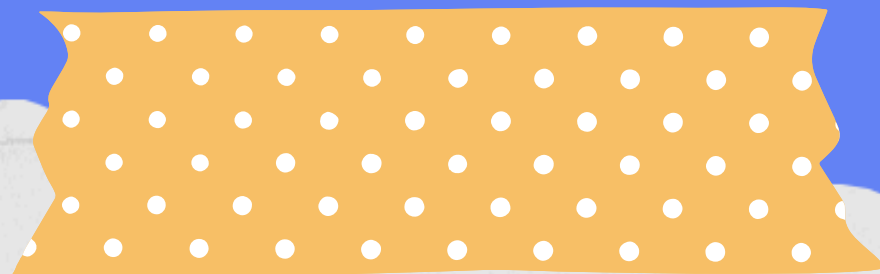

On Grade Level: R,S,T,U,V,W

In order to **GROW AS A READER** students need to read an hour of “just the right” text

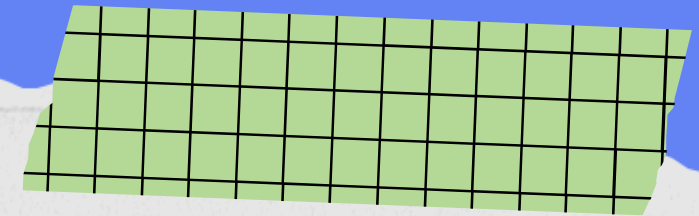

Amira

Students in Grades K-5 have access to the Amira learning platform. This platform assists students with their reading skills, providing targeted support and instant data tracking to target student strengths and areas in need of support.

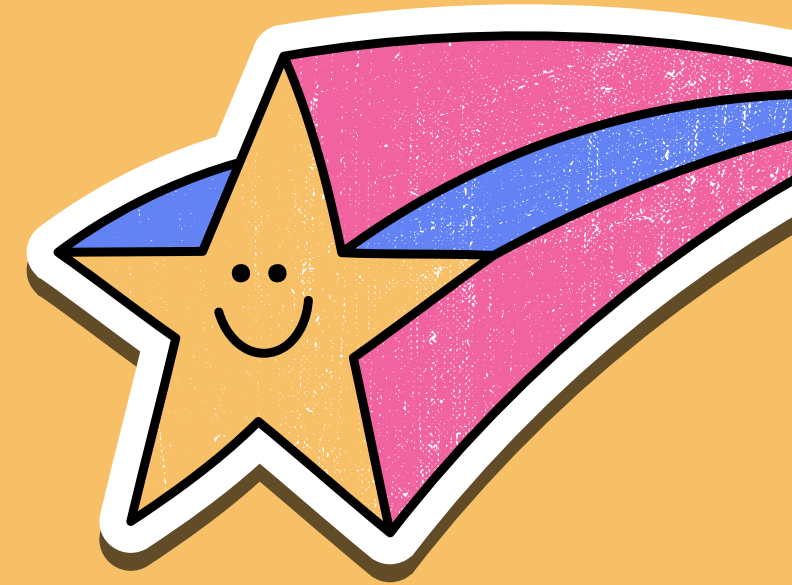

HMH

The HMH Into Reading program features research-based, explicit instruction with resources to support whole class, small group, and independent student work in the areas of reading and writing.

Lessons to be Covered

Reading

Module 1: Inventors at Work

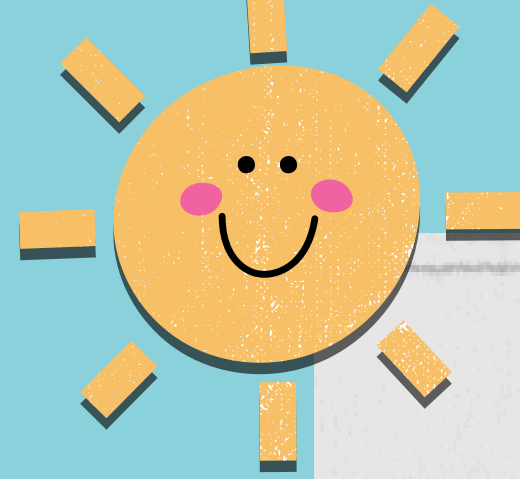

Module 2: What a Story

Writing

Module 1: Expository -
Informational Text

Module 2: Narrative
Writing

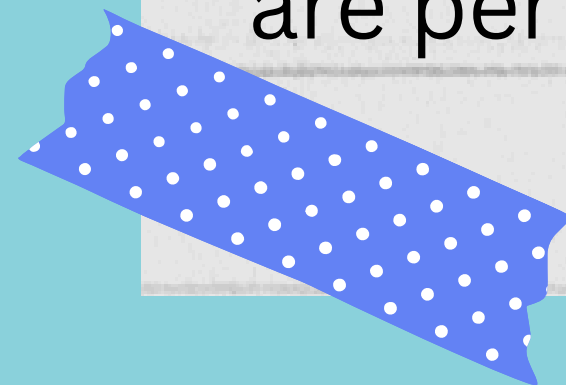

Benchmarks

There will be 3 benchmark assessments taken at the beginning, middle, and end of the year:

- Linkit
- HMH Growth Measure
- Amira

These research-based assessments are just one monitoring tool used to provide educators with overall insights into how their students are performing in their grade level.
