JACKSON

Education Foundation

The [Jackson Education Foundation](#) is a non-profit organization founded by private citizens. This foundation was born out of the increasing educational needs for the Jackson Township Public School District. The Foundation intends to serve the Jackson Public School District by enhancing public school education through private funding.

**Make it
happen,
in Jackson.**

Enhancing
educational
curriculum

Providing
equipment and
training for faculty

Making
scholarships and
grants available

GOAL

The Jackson Education Foundation will act as a charitable benefactor for the district of Jackson Township. It will raise funds for educational programs and activities not funded by the normal operating budget. It will enhance the curriculum, provide special equipment and training programs for teachers. Scholarships and grants will be awarded through the foundation. Our goal is to better the community and the district through special funding.

MISSION

Our mission is to foster educational opportunities and creativity in the Jackson Township Public Schools by providing additional funding for programs and initiatives that contribute to student achievement and encourage volunteer involvement. The Foundation will also offer student programs, grants, professional development opportunities for staff and student scholarships by generating corporate and private financial support.

SUCCESS

Please consider donating to this new organization to help achieve greatness in our community. All proceeds support programs to enhance learning experiences of students and teaching effectiveness in the Jackson Township Public School District.
