HELLO  
there

I am so happy to be one of your teacher's!  
This year is going to be full of fun, learning, and growing. You'll meet new friends, learn lots of new skills, and make wonderful new memories.

I absolutely love teaching! I have been teaching for six years and teaching in Jackson for two years.

When I'm not teaching, I love to spend time with my husband and our boxer puppy! You'll be seeing lots of photos of them this year. I love being outside, walking on the beach, or being active on the bay! I love traveling and reading.  
Candles and coffee make me happy!
