

**HOMEWORK GUIDELINES**  
*7<sup>th</sup> Grade Advanced Math – Mrs. Connor*

Please keep this paper in your Math folder/binder. Homework is graded on a 100-point scale.  
*If you follow all of the guidelines and try every problem, you will earn a 100!*

1. Pencil please.	5. Correct HW in pen.
2. When working in your notebook, use the box at the bottom of the page or your notebook.	6. Word problems should be answered with a complete sentence.
3. Show your work.	7. Correct heading. (page # and problem #'s)
4. Circle or highlight your answer.	8. Try every problem.
	9. Label answers when necessary.

- I do not take off points if the problem is wrong. You will lose points if you skip a problem(s) or do not show your work.
- Homework is 10% of your grade. Completing your homework is a great way to raise your Math average.
- We will go over the homework in class where you will have the opportunity to ask questions and check your answers.
- If you are having difficulty with an assignment, look through your class notes, watch the lesson video (login to EdGems), and/or stay for after school help (parent pick up).
- Note: I do not accept late work. If you have an emergency, please email me. I am here to help.
- If you are absent, you receive one day added to the number of days absent to complete the assignments. (Ex: absent 1 day-2 days to complete).
- Students will receive 2 “Late HW Passes” per marking period. HW may be turned in 1 day late without penalty.
- Please see me for make-up work. Check Google Classroom for notes.
- I will model how to set up your homework during the first full week of school to help you be successful.

-----  
I have read the *Homework Guidelines* for Advanced Math with Mrs. Connor for the 2025-2026 school year.

<b>Student Name (printed)</b>	
<b>Student Signature</b>	
<b>Parent/Guardian Signature</b>	
<b>Math Period (circle)</b>	<b>1/2a      2b/3      6/7a      7b/8</b>
