The most important thing as we return to school is feeling safe, building community within the classroom, having positive social interactions, and getting emotionally prepared to be successful in middle school. We will play games, enjoy time outside, and complete small projects that reflect who we are as we ease into the beginning of the school year. Work demands will increase as we progress through the school year. Mask breaks will be given throughout the day. I cannot wait to see everyone!

Literacy

- DLR - Daily Language Review / DRC - Daily Reading Comprehension
- Silent and Sustained Reading / Reading Logs
- Monthly Reading Projects - completed in class - HW if more time is needed
- Achieve 3000
- Weekly Vocabulary / Writing Tasks
- Tests, Quizzes, Projects 50%, Homework 30%, Participation (classwork) 20%
- Name (first and last) & Date (applies to all of my classes)

Science - Semester 1
