Dress Rehearsal Schedule

All members of the chorus will travel to Jackson Memorial High School for a “Dress Rehearsal” prior to the actual evening performance. Students will miss approximately three periods of their day. In certain cases, lunch schedules may need to be amended. ALL students will be provided scheduled time to eat their lunch. Students are advised to wear cool, lightweight and comfortable clothing for the rehearsal (NOT their concert clothes), as it is quite warm on the stage. Students may also bring a water bottle, clearly labeled with their name, if they wish. They should NOT bring any valuable items with them. All belongings, except for a water bottle, should be secured in their locker at Goetz before we leave on the buses. Students are responsible for work missed while they out of class. Each student should check with their individual teachers regarding their responsibilities.
