

Jackson School District is Offering FREE IN-PERSON, AFTER-SCHOOL TUTORING FOR MIDDLE SCHOOL & HIGH SCHOOL STUDENTS

The Jackson School District is pleased to offer an **IN-PERSON, AFTER-SCHOOL TUTORING PROGRAM** for learners in middle school and high school. Research demonstrates that tutoring can help strengthen subject comprehension, boost confidence, and build important learning skills. After-school tutoring, homework help, and study areas will be offered to learners at Goetz, McAuliffe, Liberty and Memorial by certified teachers in the content areas listed below.

Registration is not required - learners can attend one, two or all of the after-school sessions if they need help in the specified content area, concept building, or a quiet place to do homework and study. Please see dates for each subject area and times/locations below.
