	<u>See</u>	<u>Example</u>	<u>Below</u>
AHA	8	<p>The other fish all realize that Rainbow Fish is mean. In the text it states, “From then on, no one would have anything to do with the Rainbow Fish. They turned away when he swam by.” (Pfister 8) This shows that the fish decided they will not be friends with Rainbow Fish because of the way he has behaved towards them.</p>	<p>When the other fish finally understand Rainbow fish is not nice, they may no longer be in awe of him. Although Rainbow Fish is very beautiful on the outside, he has a nasty attitude. With the other fish not giving so much attention to Rainbow Fish anymore, hopefully he will get the hint and start to treat others more kindly. This may change the way Rainbow Fish acts around the other fish.</p>
WW	13	<p>Rainbow Fish went to the octopus for advice. “Give a glittering scale to each of the other fish. You will no longer be the most beautiful fish in the sea, but you will discover how to be happy.” (Pfister 13) The octopus tells Rainbow Fish that what counts is how beautiful you are on the inside, not on the outside. Being kind and generous will bring you happiness.</p>	<p>The life lesson being taught by the octopus is beauty comes from the inside. Being kind and generous not only makes you beautiful, but will lead to true friendship. If Rainbow Fish follows the octopus’s advice, he will be happy, and the other fish will admire him and want to be his friend.</p>

CC	8	<p>All the other fish looked up to Rainbow Fish because of his beauty. However, on the inside, Rainbow Fish was actually mean. When little blue fish asked for a scale, Rainbow Fish told him to “Get away from me!” (Pfister 8) Although Rainbow Fish was beautiful on the outside, he was not as nice on the inside. Rainbow Fish could have been polite in saying no to the little fish.</p>	<p>Instead of being kind to the little fish, Rainbow Fish was mean. Rainbow Fish behaved like this because he thought he was better than all the other fish. When the little fish asked for one of his shimmery scales, Rainbow Fish said no because he was offended. Rainbow Fish didn’t want anyone else to be as special as he was.</p>
