Dear Class,

We miss you very much and hope that you are doing well at home! If you scroll down, you will find 8 more days of lesson plans (Spring Break starts on April 9) with links to each assignment that you can click on. We will also be posting videos to help better understand the lessons, especially math. Each day is labeled with the date on top to keep you organized. You will complete the reading, writing, math, and science activities for each day as listed in the charts. All of the work can be completed in your composition book. We are here to help you out in any way you need, please contact us if you have any questions at all! All of your work will be graded once we return to school, so please make sure you are keeping track of your assignments. Stay safe and healthy with your families!
