Toy (drop) Box will be located in the IMC

Toys must be new and UNWRAPPED

For every toy you bring in, you will receive one entry into a drawing for a \$25 gift card of your choice

Reasons why you should consider donating to our kids in need:

1. You would be helping a child in need that can't afford toys for christmas.
2. Manly it is a fun and helpful experience to participate in.

Help out a child in need, and help out our community by donating you're toy to help our school district rise.
