

Operation Gratitude: Halloween Candy Give-Back

In celebration of Veteran's Day, the Goetz Builders Club is hosting a candy-give back program. After you have fun trick or treating, simply sort through your candy and bring in all the candy you don't want. Your homeroom teacher will be collecting it from November 1 through November 6. Our soldiers risk their lives for our freedom and for the things we take for granted, like trick or treating. Please be generous in giving back to these brave men and women. Besides candy, we are also collecting dental floss, travel sized toothpaste and individually wrapped toothbrushes.
