

Jackson Public Schools SAT PREP Program

SAT May Testing Date: May 6, 2023, @ JMHS
SAT June Testing Date: June 3, 2023, @ JMHS

Preparation courses for the May and June SAT will commence this spring. The courses are designed to prepare students for either the May or June SAT test. Students may only register for one prep course, and they must be registered to take the SAT Prep course that corresponds to the date of their actual test. The courses will provide 10 hours in the Math and Verbal areas for a total of 20 hours of instruction.

The location of the course is dependent upon the SAT that you are registered for. For example, for students taking the SAT in May, their prep sessions will meet at JMHS. For students taking the SAT in June, their prep sessions will meet at JLHS. The prep sessions are scheduled for 6:00 pm - 8:00 pm. The program is open to all prospective 11th-grade students. This program **IS NOT** for grades 9, 10, or 12.

Cost: The program is \$30.00. Checks and/or money orders should be made out to the Jackson Public Schools. The \$30.00 fee will cover the cost of the SAT prep book. This is a first come, first serve program since there are a limited number of seats available. The application and payment must be turned in to the Guidance Office in the student's home school by February 1, 2023 deadline or until seats are filled. Once seats are filled, no additional registrations will be accepted, however, a waitlist will be created.

At this time, the SAT test is only administered at Jackson Memorial H.S.
