**Nonpublic School Transportation Update - July 12, 2023**

July 12, 2023

Dear Private School Parents:

As you know, the Jackson School District put all nonpublic transportation routes out to bid in May, and worked collaboratively with Monmouth Ocean Educational Service Commission (MOESC) to continue to seek transportation for next school year, as required by the state. The final round of the MOESC bidding process is now complete and we are able to issue **our final update** to the nonpublic transportation bidding process for the 2023-2024 school year.

**The schools listed on the next page of this letter are the only schools for which transportation will be provided.**

For all others, the school/route was either not bid on by any vendors or the bid received was over the state-mandated threshold amount. **This means if your child's school/route is NOT listed below, eligible children attending these schools will receive Aid in Lieu of Transportation (AIL).**

Thank you for your patience and understanding as we have exhausted every avenue available to accommodate your children's transportation needs.

Sincerely,

**Michelle D. Richardson**
