Nonpublic School Transportation Update - List of Schools Receiving AIL for 2022-2023

May 24, 2022

Dear Private School Parents:

In keeping with our commitment to be responsive to the needs and concerns of our families, we have worked with our attorney to expand what information is releasable during the bidding and contract process. We are now able to share further details of the schools for which we received bids to provide transportation for the 2022-2023 school year.

The schools below have had a **PARTIAL** bid received. **If your school is on the list immediately below, it means:**

- We received bids for SOME of the routes within these schools
- The bid process will not be completed until the BOE finalizes their analysis of the bid/contract at the June 2, 2022 special board meeting.
- **Parents of students in these schools should wait until after that meeting to be notified about their transportation/AIL status.**

TRANSPORTATION / AIL STATUS IS PENDING

The schools listed **ON THE NEXT PAGE** are those for which we did NOT receive a bid and we are NOT able to provide transportation through the district. **If your school is on the list ON THE NEXT PAGE, it means:**

- That you will need to make arrangements for your child’s transportation, and
- That we will include you in the process for AIL reimbursement if eligible, in accordance with state law.

Please remember, If you have questions send them to B6Tquestion@jacksonsd.org.

The Jackson School District appreciates your patience as we continue to navigate this process to serve our Jackson families.

Sincerely,

Michelle D. Richardson
