ASBESTOS MANAGEMENT PLAN NOTICE September 6, 2017

To Jackson School District Parents, Guardians and Staff:

In August of 2017, Karl Environmental Group, our environmental consultant, completed an AHERA Six Month Periodic Surveillance for the Jackson Township Board of Education.

AHERA – The Asbestos Hazard Emergency Response Act, places certain requirements on all LEA's- Local Education Agencies, including the Jackson Township Board of Education.

The Jackson Township Board of Education maintains a complete and updated copy of the AHERA Management Plan in each school within the District. The management plan(s) are also available for review in the Buildings & Grounds Office during regular business hours.

Karl Environmental Group, in its capacity of LEA's inspector and engineering consultant, has advised the Jackson Township Board of Education, that it is in compliance with AHERA regulations and will meet their general location education agency responsibilities as outlined in Section 763.84 of CFR, Part 763, Asbestos Containing Materials in Schools.

All surveillance records were entered into the AHERA Management Plan by Edward Ostroff, an accredited AHERA Management Planner/Supervisor, Certificate Number 47538 and State of New Jersey License #NJ93229. The next scheduled surveillance will be conducted in January of 2018.

We are also required to notify our parents and staff of any plans to remove asbestos containing materials, or any work that was done over the previous year. Please see the second page of this notice for that information.

AHERA inquiries regarding our Asbestos Management Plan and/or any upcoming projects may be directed to Edward Ostroff, Director of Buildings & Grounds/Designated Person at 732-833-4653.

Sincerely,

Dr. Stephen Genco
Superintendent of Schools
