

JACKSON SCHOOL DISTRICT
ATHLETIC DEPARTMENT
PRE-PARTICIPATION ELIGIBILITY PACKET

Student's Name: _____

Check the school the student will be attending:

- ☐ Jackson Township Middle School
- ☐ Jackson Township High School

- Please review all forms for omissions and sign where indicated.
- Incomplete or late forms will result in a delay in eligibility.
- Only the first two pages from the packet should be returned to the school. These pages say *“Return this form to the school”* on the bottom.
- During the school year, completed forms should be returned to the Nurse's Office at the home school.
- During the summer (while schools are closed), completed forms for the middle and high schools should be returned to the Athletic Office of Jackson Township High School (125 North Hope Chapel Road – formerly Jackson Liberty High School).

Preparticipation Physical Evaluation Medical Eligibility Form

The Medical Eligibility Form is the only form that should be submitted to school. It should be kept on file with the student's school health record.

Student Athlete's Name _____ Date of Birth _____

Date of Exam _____ School _____ Sport _____

- ☐ Medically eligible for all sports without restriction
- ☐ Medically eligible for all sports without restriction with recommendations for further evaluation of treatment of:
- ☐ Medically eligible for certain sports:
- ☐ Not medically eligible pending further evaluation
- ☐ Not medically eligible for any sports

Recommendations: _____

I have reviewed the history form and examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).

Permission to Share Screening Information with the School Nurse (Optional)

The New Jersey Department of Education requires the school nurse to perform annual health screenings on each student every year, including height, weight and blood pressure. Other screenings are required at periodic intervals, including vision, hearing and scoliosis. We can use the data from your child's sports physical to fulfill this requirement if you agree to share it with us. If not, the school nurse will perform the required screenings during the school year.

I give permission to the examining practitioner to share the screening information below with the school nurse.
