ELIGIBILITY PACKET**

*Please review all forms for omissions and
sign where indicated.*

Incomplete forms will result in a delay in eligibility.

*Please bring all completed forms to the Nurse's office of the
school your child will attend in September.*

A Note From Our School Physician

Please use the following checklist to complete the History portion of the Pre-Participation Physical Evaluation and to ensure you are providing us with the information that is required to clear your child to participate in sports. **Sport physical approvals will be delayed if information is missing from these forms.**

- All boxes where "yes" have been checked must have a description in the provided section. Example: If a cardiac related box is checked "yes" explain what the issue is, the relationship to the student, and age of onset etc.
- Cardiac History: If your child has ever had a Cardiac History (including as an infant), you must provide clearance from their cardiologist. The clearance note from the treating cardiologist must state that your child is "cleared for competitive sports and gym."
- Vision: If your child's vision is worse than 20/40 you will need a recheck. If there is no improvement on the recheck you must follow up with an optometrist. Please note that your child should wear their prescribed glasses or contacts during the vision exam.
- Sport: Remember to indicate which sport(s) your child would like to try out for. If they would like to participate in track, please make sure you specify which season, i.e., Cross Country (Fall), Indoor Track (Winter) or Track & Field (Spring).

Please review all paperwork for omissions before submitting. Common omissions are: blood pressure, vision, height and weight, physician's signature and/or stamp, parent/guardian's signature, student's signature, student's demographic information. These omissions will delay the eligibility process.

Once completed, please submit all forms to the nurse in your child's home school.

Sincerely,

Dr. Thomas Sargent, D.O.

In order for a student to participate in the Jackson School District Athletic Program, all parents and students must acknowledge that they have reviewed and understand various policies, procedures and required authorizations.

These Athletic Participation Consent Forms will be available online on the Jackson School District Parent Portal after your physical is received by the athletic office.

(We receive your physical, and when it is entered into the system, we release the forms to you on the portal. You will see an invitation to fill out the form when you sign on to the portal.)

Similar to the “Back to School” portal signoffs in September, these forms are filled out by signing into the Parent Portal:

<https://parents.jacksonsd.org>

(a link is also available on all school sites).

Please be sure to fill them out as soon as they are available to you on the portal, so there is no delay in your child being able to participate in the sports program.
