JLHS Student Parking Criteria

The following information applies to any 11th or 12th-grade student wishing to drive to school:

- The student *must not* have any fines obligated to the high school. These must be cleared before getting a parking decal.
- The student must have a valid Driver's license.
- The student must be driving a vehicle that is registered and insured.
- The student and parents/guardians must have watched the Virtual Safe Driving Presentation offered online and signed the document through the parent portal.

JLHS Student Parking Applications are available online using the link contained on the Jackson Liberty High School website:

(<https://www.jacksonsd.org/Domain/2073>), on the Student Parking Google Classroom, or during school in C113. Please read the entire packet and follow the submission instructions for this school year indicated on the webpage. Failure to do so properly will result in a delay in the processing of the application. **Do not forget to include copies of the applicant's Driver's License, Registration of the car the applicant will be driving to JLHS, and insurance card of the car as well. Please be sure to check that the registration and Insurance are not expired before the first day of classes. The student will not be able to get the parking decal until current documents are provided. Any issues with the documents you've provided will be communicated to the student through their District Gmail account. Students are encouraged to check their accounts periodically.**

JLHS students can find out information on Student Parking before the school year begins by visiting the JLHS Student Parking page (see the link above) or by following the Student Parking Google Classroom. If you did not receive an email invitation to join the Google page, please contact Mrs. Plantz via email at aplantz@jacksonsd.org.

The District will be collecting a \$10.00 parking decal fee per semester for each student desiring to drive to school. At JLHS, the preferred payment method is cash. Students can pay with a personal check or money order if necessary. If the student is an Early Exit Senior (course fulfillment in January/February) the fee will be \$10.00. If the student intends to park the entire school year, the fee will be \$20.00. Please note that there will be no proration; payment is either \$20 to park the entire school year or \$10 to park a single semester in the school year. Payment in full is due when you pick up your parking pass.

The application process will be the same as the prior year. Please read this section carefully. *Please note:* if the student is not yet ready to drive to JLHS, the process to apply any time this school year is the same, however, once school starts, JLHS students can bring their application and payment to Mr. Waldron's office (C113) as indicated under "Once School is in Session".

Once School is in Session

- All applications and payments should be brought to C113, Mr. Waldron's office.
- Do not drive to school until you have your parking decal.
- The administration reserves the right to distribute parking decals during specific times while school is in session to not disrupt a student's education.

DRIVING PRIVILEGE REGULATIONS

Driving your car to school is a privilege. To ensure that this privilege is not revoked, please read and adhere to the following rules and regulations. Be further advised that the Administration reserves the right to revoke this privilege for any reason deemed appropriate. **Parking fees will not be refunded.**

Students who are chronically disciplined may have their privileges revoked or suspended per the discretion of an Administrator.

1. All student vehicles must be registered and place the appropriate parking decal clearly on the window above the inspection sticker inside the vehicle. Only the Parking Supervisor's Office may issue parking decals. **NO STUDENT MAY TRANSFER HIS/HER DECAL TO ANOTHER STUDENT. TO DO SO REVOKES YOUR PARKING PRIVILEGE.**
2. Students are not permitted to park on campus unless they have a decal. If you are in the process of applying for a decal, you are not permitted to park on campus until you have the decal in your possession. Only the building Principal or an Assistant Principal has the authority to permit you to park on campus without a permanent decal.
3. Parking privileges will be offered to students that are licensed. **Unregistered students who park on school grounds will have their Parking Application delayed for 30 calendar days upon application.**
4. Cars are not to be visited or occupied during the day, except when the student leaves the school. To do so results in possible discipline and/or removal of your parking privileges.
5. Cars must be parked in the area designated; failure to do so results in possible discipline and/or removal of your parking privileges.
6. A student is responsible for his/her vehicle the entire time that the vehicle remains on school property. Students that park on school grounds park at their own risk. Any damages incurred to a student's vehicle are the sole responsibility of the owner and not the School/School District.
7. **School buses have the right of way at all times.** The buses must leave school property before the students will be allowed to leave.
8. Student's vehicles are not permitted on the bus ramp. To do so results in possible discipline and/or removal of your parking privileges.
9. The speed limit on school property is **15 MPH**. Discipline and/or removal of parking privileges may result if students drive carelessly while on school grounds.
10. Parking directives issued by School Security personnel and/or staff are to be followed courteously and promptly.
11. No student is authorized to transport his/her vehicle to or from Vocational School. To do so results in possible discipline and/or removal of your parking privileges.
12. The administration reserves the right to independently assess any situation involving extenuating circumstances.
13. Possession/Use of alcohol and/or drugs will result in possible discipline and/or removal of your parking privileges.
14. You are responsible for your decal. You are not permitted to drive to school while your decal is "lost" or "stolen". If a decal is lost or stolen, a verifiable letter from your parent (signature and a contact phone number must be supplied) must be provided which details the circumstances behind the loss of the parking decal and verified before a replacement decal may be issued. This will be approved by the Parking Supervisor prior to release. Report a missing decal immediately to the Parking Supervisor's office so it can be recovered. Please note that there may be a replacement fee in order to procure a new parking decal.
15. **Students who park on school grounds at any time, do so with the understanding of the following: "By entering this area, the person in charge of the vehicle consents to the search of the entire vehicle and its contents with or without cause by school officials."**
16. **ONLY ONE DECAL WILL BE ISSUED PER STUDENT. IF YOU LOSE IT, YOU MUST PAY A FEE TO OBTAIN A NEW ONE.**
