7. The Board of Education approves the following Resolution for Equitable State Funding:

RESOLUTION
REGARDING STATE LEGISLATORS SUPPORT OF ALL SCHOOL DISTRICTS
FOR EQUITABLE STATE FUNDING

To approve a resolution demanding that Governor Murphy, Senate President Sweeney, Assembly Speaker Coughlin and all New Jersey State Legislators actively and publicly support all school districts in New Jersey pertaining to the critical issue of school funding:

WHEREAS, the School Funding Reform Act of 2008 (“SFRA”) reflects the current New Jersey law that provides State Aid to public school districts; and

WHEREAS, Senate Bill 2, PL. 2018, Chapter 67 (referred to as “S2”) reflects the current application of the SFRA that provides State Aid to public school districts; and

WHEREAS, the New Jersey Legislature has appropriated limited monies to fund such State Aid for public school districts; and

WHEREAS, the arbitrary and inconsistent determination of State Aid funding versus the local fair share as determined by the State of New Jersey has negatively impacted the taxpayers who support the Jackson School District (the “District”); and

WHEREAS, as a result of S2, the application of which began in 2018, the District will lose over $18 million of State Aid funding cumulatively over the seven-year period of S2's implementation, and

WHEREAS, given the $18 million loss of State Aid funding, the burden to keep the District operating and educating its students shifts to the local taxpayers of the District; and

WHEREAS, the reductions of State Aid funding due to S2, coupled with the detrimental impacts the COVID-19 Pandemic, and the additional unexpected healthcare financial costs to the District as a result of recent enacted P.L. 2020, Chapter 44, have further put the District in a precarious place and will likely result in significant negative effects on the District. and

WHEREAS, EVERY STUDENT in New Jersey deserves a comprehensive educational program and social emotional learning (SEL) support as we emerge from the COVID-19 Pandemic, and

WHEREAS, the District believes that equitable fiscal resources to provide educational programming and SEL are absolutely critical to ensure that our students receive the educational funding necessary to provide for a thorough and efficient education:

NOW THEREFORE BE IT RESOLVED, the Jackson Township Board of Education, in the County of Ocean, State of New Jersey, hereby demands that Governor Murphy, Senate President Sweeney, Assembly Speaker Coughlin and all New Jersey State Legislators take action this year with respect to equitable state funding for education that includes a pause on any State Aid funding reductions, extending the timeline for any future State Aid funding reductions and committing to a review and update the State Aid funding formula to reflect 21st century learning, in order to ensure all students receive the educational programming they are entitled to in order to provide a thorough and efficient education.

CERTIFICATION

We the undersigned members of the Jackson Township Board of Education do hereby certify that the foregoing is a true copy of a resolution duly adopted at this Board of Education regular session meeting held on the 28th day of April, 2021.
