Service Above Self

JMHS

Rotary Club Sponsor: Dr. Haines

Club Advisor: Mrs. Petrocelli (Room 156)

The Interact Club, founded in 1962 by The Rotary Club, is a service-oriented club. Its purpose is to improve the quality of life for both local and international communities. Social skills, problem solving skills and teamwork enable members to work towards common goals and achieve successful outcomes. "Service above self" is the motto for The Interact Club.

Membership requirements:

- The school handbook rules apply at all meetings and activities (even those off campus)
- A member must be in good standing with the school (discipline and grades)
- During each semester a member must attend at least 3 meetings (during common lunch), participate in at least 2 out-of-school events, 1 in-school event, and participate with the Club's fundraising events..
- Payment of \$50 (check made out to "Jackson School District" or pay online)
- Payment of \$5 (cash only) Interact Shirt (used at most, if not all events)

Members need to join the BAND app and Interact Google Classroom to keep informed of club activities. Many Club activities take place after school or during weekends, therefore the member needs to have transportation to and from the event.

Please bring all of your forms together with any money.

Please sign and return.
