ADD Motion #23

The Board of Education approve the following School Funding Formula Resolution:

RESOLUTION

REQUEST REVISIONS TO THE SCHOOL FUNDING FORMULA FORMAT

WHEREAS, the Jackson Township Board of Education believes it is being underfunded pursuant to the 2008 School Funding Reform Act ("SFRA"), while other districts are over funded; and

WHEREAS, the Jackson Township Board of Education believes that the underfunding is the result of the SFRA's "Wealth Calculation" being deficient in that it: (i) omits millions of dollars of ratables that are excluded from the calculation due to payment in lieu of taxes ("Pilots"), abatement programs and other tax incentive programs; (ii) fails to require communities to conduct reevaluations for as long as twenty five (25) years; and (iii) includes only personal income and not income from business; and

WHEREAS, The Jackson Township Board of Education has spending per pupil in the State for districts over 3500 students less than the state average; and

WHEREAS, facility capital improvement upgrades for the Jackson Township Board of Education schools are needed; and

WHEREAS, failure to correct the SFRA's formula for calculating the Jackson Township Board of Education's entitlement and to fully fund such entitlement may preclude the District from providing the students of the District a thorough and efficient education.

NOW, THEREFORE BE IT RESOLVED that the Governor of the State of New Jersey together with the Senate and Assembly are requested to appoint a task force to examine and make recommendations concerning the exclusion of ratables arising from Pilots and Abatement programs in determining a districts "Wealth Calculation"; and

BE IT FURTHER RESOLVED, that communities who have not complied with N.J.S.A. 54:4-23 should be required to conduct reevaluations or reassessments; and

BE IT FURTHER RESOLVED, that a certified copy of this Resolution be forwarded to the Commissioner of Education, Governor of the State of New Jersey, State Senate and State Assembly.
