**ADD** Motion #9

The Board of Education approves the following Resolution for the application and acceptance, if received, for Stabilization Aid in the amount of \$6,402,265.00 due to financial distress we are and will be experiencing:

**RESOLUTION OF THE JACKSON TOWNSHIP  
BOARD OF EDUCATION (FOR STABILIZATION AID APPLICATION)  
September 21, 2022**

**WHEREAS**, the Jackson Township School District (“the district”), despite seeing temporary relief from ESSER grant funds and favorable budget variances for the prior two budget years due to the pandemic, is experiencing, and will continue to experience, financial distress as a structural deficit is building due to the reduction in state school aid with the implementation of Chapter Law 67 (known as S2), whereby our state school aid has been reduced by \$15.9 million since 2018-19; and

**WHEREAS**, in the last 6 years, in addition to reductions in supply, facilities and technology budgets and a dramatic increase in Non-Public Student Aide in Lieu (AIL) payments, 143 staff positions have been eliminated in the district (97 of which were teaching positions) and of these, 8 teaching positions were able to be reinstated in 2021-22 and 2022-23 by using ESSER II funds, but such funding is temporary and will run out, thereby furthering the district’s fiscal hardship; and

**WHEREAS**, given the current class sizes and staffing levels in the 2022-23 school year, and given that in the most recent Taxpayers’ Guide to Education Spending (2022), the district is the 34th lowest total spending per pupil district, and 26th lowest budgetary cost per pupil district in the state for its category (of the 92 districts over 3,500 students) - which demonstrates that the district is already fiscally lean - the district does not believe any further significant budget cuts can be made without having a very negative impact on students in terms of class sizes and program offerings; and

**WHEREAS**, the district requires additional aid in 2022-23 as we have endured a state aid reduction of \$4,605,878, the largest cut during the S2 process, and anticipate a \$2.6 million cut for the 2023-24 school year. These state aid reductions cannot be fully made up for through the required 2% tax levy increase nor by any significant reductions in expenses as noted above, nor should the aid reduction be made up for by using additional ESSER funds as such funds are temporary and will lead to an even more severe funding cliff; and

**WHEREAS**, the timing of Stabilization Aid awards (the 2022-23 school year is already under way and budget shortfalls were temporarily addressed by utilizing ESSER II grant funds), is such that Stabilization Aid funds would fall to fund balance in 2022-23 and could be appropriated as surplus in the 2023-24 budget year to fund and retain staff positions and needed capital projects; and

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Education hereby authorizes the submission of an application for Stabilization Aid in the amount of \$6,402,265 due to financial distress we are and will be experiencing; and

**BE IT FURTHER RESOLVED**, that a certified copy of this Resolution be forwarded to the New Jersey Commissioner of Education and will accompany the September 2022 cover letter submitted by the Superintendent.
