ADD Motion #11

The Board of Education approves the following Resolution in support of Assembly, Bill No. 4461:

RESOLUTION REGARDING STATE LEGISLATORS SUPPORT OF BILL A4461 FOR THE STATE to ESTABLISH A THREE-YEAR NONPUBLIC SCHOOL STUDENT TRANSPORTATION PILOT PROGRAM IN CERTAIN ELIGIBLE SCHOOL DISTRICTS

To approve a resolution to publicly support bill A4461, sponsored by Assemblyman Alex Sauickie, to establish a three-year nonpublic school student transportation pilot program in certain eligible school districts:

WHEREAS, the Jackson School District acknowledges the current New Jersey law that provides for transportation or aide-in-lieu of transportation to all eligible Jackson students attending a nonpublic school; and

WHEREAS, the *extraordinary growth* of Jackson Township's nonpublic student base far exceeds the district's budgeting capacity and has created a significant challenge to our financial resources and transportation personnel resources; and

WHEREAS, Jackson Township's location being next to the Lakewood Township has an unsustainable growth in nonpublic students attending nonpublic schools in Lakewood Township impacting the ability of the Jackson School District and the Jackson Taxpayer to fund the educational program of the district; and

WHEREAS, the New Jersey Legislature has appropriated limited means to fund the mandate of transporting all eligible nonpublic Jackson students attending nonpublic schools; and

WHEREAS, as a result of S2, the Jackson School District has experienced a loss of state aid, further hindering the District's ability to support this extraordinary cost, and

WHEREAS, the District believes that the exorbitant growth in nonpublic transportation affects equitable fiscal resources to provide educational programming which is absolutely critical to ensure that our students receive the educational funding necessary to provide for a thorough and efficient education:

NOW THEREFORE BE IT RESOLVED, the Jackson School District Board of Education, in the County of Ocean, State of New Jersey, hereby supports bill A4461 to establish a three-year nonpublic school student transportation pilot program in certain eligible school districts and requests that Governor Murphy, Senate President Scutari, Assembly Speaker Coughlin and all New Jersey State Legislators take action this year with respect to this bill, in order to ensure eligible Jackson nonpublic students receive transportation or AIL and to financially support public school districts in this *unique situation*.
